Idaho's colleges and universities are still accepting applications for students hoping to attend school this fall. You can also apply for financial aid through **June 30th** (though earlier is better) by submitting a Free Application for Federal Student Aid (FAFSA). Most schools will require:

- ✓ Completed application
- ✓ High school and any dual credit transcripts
- ✓ Completed FAFSA (for those seeking financial aid)

Idaho's public schools offer a variety of degree and certificate programs that can be completed in 1-4 years and some career training that can be completed in under a year.
